Dear Bob:

I want to express my appreciation for the important contribution you made to our Executive Seminar on 3 June. Your views on leading and managing in turbulent times were extremely helpful to the participants. We believe our recently appointed senior intelligence officers need to be aware of what goes on in the corporate world as well as within our Agency. Your presentation reinforced the other material presented in the Seminar. I understand you will be sending us a set of your vugraphs so we can distribute them to the participants who are anxious to get them.

Thank you again for the time and effort you put into this and hope you will be willing to participate in future runnings of the Seminar.

Sincerely,

Director
of
Training and Education
